

Flowers for NAHS Spring Concert

Would you like to help decorate the stage with colorful spring flowers for the NAHS Spring Concert? You can order **6" potted mums** or **6" kalanchoe plants** to decorate the stage on May 28. Both plants will come in assorted colors and are being sold for **\$15 each**. Proceeds will be used to support North Andover Music Programs.

The mums and the kalanchoe will do well as indoor house plants; however, they can be planted outside as an annual. You can take your plants home after the concert or donate the plants to be taken to a nearby assisted living center where they will brighten someone else's day.

Orders must be received by **May 15** so that the plants will arrive for the Spring Concert. Please make checks payable to **NAMA**. Nama is a 501(c)(3) non-profit organization.

Order forms and checks can be turned in to Mr. Smalley or Mrs. Durkin.

If you have any questions, please contact Martin McGrath, NAMA President, at martinpmcgrath@msn.com.
