Good afternoon,

I am sure everyone has been informed about the 7:00 curfew due to the eee situation. Due to this curfew the September rehearsal and performance schedule is going to change. As of today we are still looking for a rehearsal space, as Walsh and Hayes are booked with sports practices and games.

We are tentatively thinking about keeping rehearsals on the same days as the original schedule and adjusting the rehearsal time to 4:00PM to 7:00PM. I know that this is going to impact everyone's schedule, but we have limited options. As of now Saturday rehearsals will remain the same. (We will probably go longer on Saturdays as we will have Walsh on those days! Still TBD) and Football games day and times are still TBD.

We will have an indoor music rehearsal from 6:00PM – 8:00PM tomorrow 8/29.

Again, this is out of our control and in order to be successful we all need to be flexible and willing to adjust. I will try to have an updated schedule later this week. We are still going to have an amazing and successful season!

Go Knights!

“e”

Sincerely,
Justin D. Smalley
