The 2020-2021 school year is well underway and it certainly looks very different than any other year! Our wonderful NAPS music teachers have been doing their creative best to continue to make music with our students during these trying times. The North Andover Music Association was founded to provide community support for the terrific music programs in the North Andover Public Schools. We raise funding by hosting a large NESBA marching band competition, as well as holding car washes, raffle ticket sales, concession stands, and various other events. We've made a variety of purchases already this year to help our teachers. An especially important function that NAMA serves is to provide a number of scholarships to graduating music seniors. We have lost most of our fundraising opportunities this year, and we really need your help! We are seeking your donations to help us continue to support music in our schools, and most especially to help us fund the senior music scholarships to deserving students.

With the approach of Giving Tuesday on December 1st, we are asking you to please consider making a tax-deductible donation to help NAMA continue to support our outstanding music program and our graduating seniors in the North Andover Public Schools. NAMA is a 501(c)(3) non-profit organization. There are two ways you can donate:

1. PayPal at [PayPal for NAMA](#)
